Father to 3d place Final Marlbank OLR 655km at 1124 m/min. A WINNER for Team Wilnic! Won Bloemhof in the Tshwane Pigeon Association at a velocity of 1331 m/min. Flew several other top positions. Put to stock early as his father 0614 is getting old and he carries the winning genes that has kept me going for 20 years. His full brother 5357 is a double winner and also at stock.
